1. Please fill out this form to register to be a vendor in downtown prior to the Christmas Parade. Email to [sktongate@hearthsidefoods.com](mailto:sktongate@hearthsidefoods.com) or [danieldickey@protonmail.com](mailto:danieldickey@protonmail.com)
2. The event at the park will run from 5-9PM. Please let us know what time you will be set up, what is on your menu, and where you will be located. We will have a sign at the North Park reminding visitors our restaurants are open and announcing there are food vendors set up downtown.
3. Any food vendors who operate on a “for profit” basis will need to obtain a Food Vendor license from the City of Gibson. This requires a \$20/day or \$100/year fee, insurance policy and posting of your food license (Contact GC Police Department for details). Non-profit groups (such as churches and civic organizations are exempt).
4. If you need electricity for your space please make arrangements with the business you will be set up in front of. Please supply your own electrical cords for long extension.
5. Vendors must be from Gibson City and provide homemade food. Any exception to this will need approval from the organizers, please see contact info listed below.
5. All trash cans downtown can be used for this event, but you may want to bring some for your area. Please make sure it has a cover on it and please clean up your area after the event.
