(See 65 ILCS Sec. 5/11-19-1, et seq.)

ARTICLE II – RECYCLING PROGRAM

16-2-1 HISTORY. Gibson City did have a recycling program several years ago, but it was discontinued because of expense and trash in the downtown area. Our new proposal addresses both of these issues and brings new ideas to the table for consideration.

We believe that a recycling program is important for many reasons and that a “new and improved” recycling program would have good support from much of our community.

16-2-2 GOAL. To implement a recycling program that is cost effective, neat and clean and that addresses the needs of the community.

16-2-3 PROPOSAL. Establish a governing body (Recycling Board) including a chairman and **four (4)** regular members to be appointed by the Mayor and approved by the City Council. Members would have a **three (3) year** term and would not be compensated. The Recycling Board would be responsible for the day-to-day activities of the recycling program and would report (via a council member liaison) to regular Council meetings as necessary. Mayor and Council will have final authority on all recycling program activities.

Proposed location for the recycling program is in the Jordan Industrial Park on the current City owned property leased by Ameren. Ameren’s lease will expire on **November 1, 2005** and it is their intentions not to renew the lease. Proposed area is rocked, fenced and has **two (2) gates**.

Proposed hours for recycling would be **8:00 A.M. to 11:30 A.M.** with gates closed at Noon on the **first (1st) and third (3rd) Saturday** of each month and would be totally manned by volunteers. At least **two (2) volunteers** to be present during all collection hours.

Ridgeview Recycling will be out initial provider and they will take (recycle) #1 - #3 plastic, glass, newspaper, cardboard, rice paper (like cereal boxes), office paper, aluminum, and tin. **They will not take windowpanes, construction paper or wrapping paper.**

Due to the expense of the program, annual passes will be sold to Gibson City residents (residents within the City limits) for **Fifteen Dollars (\$15.00)** and senior citizens (60 and older) for **Ten Dollars (\$10.00)**. Non-resident passes to be sold for **Twenty Dollars (\$20.00)** and **Fifteen Dollars (\$15.00)** for non-resident senior citizens. Best efforts would be made to sell as many passes as possible to Gibson City residents and non-residents to cover most or all of expenses incurred. All monies collected would be given to the City of Gibson to pay for costs. Recycling Board may also wish to work with Gibson City non-profit organization(s) such as the PTA, 4H, Boy Scouts, etc. to maximize pass sales (tbd). Passes to be color-coded annually and have the name of the pass holder listed on them.

Cot to the City of Gibson would be **Six Hundred Dollars (\$600.00)** per month less pass revenues.

1. Cost - \$7200.00 per year
Less 250 x \$15.00 - \$3750.00
