(D) Side reflectors upon each side of the bicycle which shall be visible up to a distance of **five hundred (500) feet** when viewed directly in front of a lawful lower beam of motor vehicle headlights. The requirements of this subparagraph may be met by reflective materials which shall be at least **three-sixteenths (3/16) of an inch** wide on each side of each tire or rim which may indicate as clearly as possible the continuous circular shape and size of the tires or rims of such bicycle and which reflective materials may be of the same color on both the front and rear tire or rim.

A Neighborhood Electric Vehicle shall be defined as provided in the State of Illinois Compiled Statutes under **625 ILCS 5/11-1426.1** subsection (a) as is now in effect and may, from time to time, be amended. A Neighborhood Electric Vehicle(s) may be operated in the City on any street where the posted

ARTICLE III - STOP AND THROUGH STREETS

24-3-1 THROUGH STREETS. The streets and parts of streets of the City designated by ordinance as "through streets" are hereby declared to be through streets. The driver of a vehicle shall stop at the entrance to a through street and shall yield the right-of-way to other vehicles which have entered the intersection or which are approaching so close on a through street as to constitute an immediate hazard unless directed otherwise by the traffic officer. See **Schedule "A"** for applicable through and stop streets.

24-3-2 ONE-WAY STREETS OR ALLEYS. It shall be unlawful to operate any vehicle on any streets or alleys designated as one-way streets or alleys by ordinance in any direction other than that so designated. The driver of a vehicle shall stop in obedience to a stop sign at an intersection where a stop sign is erected pursuant to ordinance at one or more entrances thereto and shall proceed cautiously, yielding to the vehicles not so obliged to stop which are within the intersection or approaching so close as to constitute an immediate hazard, unless traffic at such intersection is controlled by a police officer on duty, in which event, the directions of the police officer shall be complied with. See **Schedule "A"** for designated stop intersections. **(See 625 ILCS Sec. 5/11-302)**

24-3-4 YIELD RIGHT-OF-WAY STREETS. The driver of a vehicle approaching a yield sign, in obedience to such sign, shall slow down to a speed reasonable for the existing conditions and if required for safety to stop, shall stop at a clearly marked stop line, but if none, before entering the crosswalk on the near side of the intersection or if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway. After slowing or stopping, the driver shall yield the right-of-way to any vehicle in the intersection or approaching on another roadway so closely as to constitute an immediate hazard during the time such driver is moving across or within the intersection. **(See Schedule "C")**

24-3-5 POSTING SIGNS. Appropriate signs shall be posted to show all through, stop and yield right-of-way streets, all one-way streets and alleys and all stop intersections. **(See 625 ILCS Sec. 5/11-304)**

ARTICLE IV - DRIVING RULES

24-4-1 **ILLINOIS VEHICLE CODE; RULES OF THE ROAD ADOPTED.** The Illinois Vehicle Code, **Illinois Compiled Statutes, Chapter 625, Section 11**, entitled "**Rules of the Road**", as passed, approved and amended by the Illinois General Assembly is hereby adopted by the City and the provisions thereof shall be controlling within the corporate limits of the City except for the following changes, deletions and omissions:

(A) **Omissions:**

- (1) Omit Sections 11-207, 11-208.1, 11-208.2, 11-209.1, 11-302, 11-303, 11-310(f), 11-313, 11-401 to and including 11-416, 11-500 to and including 11-502, 11-602, 11-603, 11-604, 11-606(b), 11-608, 11-1419, and 11-1422.

(B) **Changes and Additions:**

- (1) Change 11-904(a) to read: "Preferential right-of-way at an intersection may be indicated by stop or yield signs as authorized by this Code."
- (2) Change 11-1416(a) to read: "Any person who shall willfully and unnecessarily attempt to delay, hinder or obstruct any other person in lawfully driving and traveling upon or along any highway within this State or who shall offer for barter or sale, merchandise on said highway so as to interfere with the effective movement of traffic shall, upon conviction, be guilty of a violation of this Code."

24-4-2 **DRIVING RULES.**

(A) **Careless Driving.** It shall be unlawful to operate a vehicle in the City in a careless manner so as to interfere with the safe or lawful operation of any other vehicle or so as to interfere with or to injure, damage, or endanger persons or property engaged in the lawful use of the street.

(B) **Drag Racing.** No person shall participate within the City in drag racing as such activity is defined by **625 ILCS Sec. 5/11-504.**

(C) **Fleeing or Attempting to Elude Police Officer.** Any driver or operator of a motor vehicle who, having been given a visual or audible signal by a police officer directing such driver or operator to bring his vehicle to a stop, willfully fails to or refuses to obey such direction, increases his speed, extinguishes his lights or otherwise flees or attempts to elude the officer is guilty of a violation of this Chapter. The signal given by the police officer may be by hand, voice, siren, red or blue light. Provided, however, the officer giving such signal shall be in police uniform and if driving a vehicle, such vehicle shall be marked showing it to be an official police vehicle.

(D) **Unlawful Possession of Highway Sign or Marker.** Traffic control signals, signs or markers owned by the City shall be possessed only by the City's employees, police officers, contractors, or their employees engaged in highway construction, contract or work upon the roadways or public ways approved by the City. No person shall possess a traffic control signal, sign or marker owned by the City except as provided in this paragraph without the prior written authority of the City. It shall be a violation of this Chapter for a person to possess such a traffic control signal, sign or marker without lawful authority.

(E) **Special Speed Limitations on Elevated Structures.** No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a

speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure when such structure is sign-posted.

Upon the trial of any person charged with the violation of this section, proof of the determination of the maximum speed by the City and the existence of such signs is conclusive evidence of the maximum speed which can be maintained with safety to such bridge or structure. **(See 625 ILCS Sec. 5/11-608)**

(F) **General Speed Restrictions.** The speed limits on the various streets shall be approved by the City Council, but shall not exceed **twenty miles per hour (20 MPH)** in a school zone and not to exceed **twenty-five miles per hour (25 MPH)** on a residential street; otherwise, **thirty miles per hour (30 MPH)** on an arterial street unless otherwise posted. **Schedule "D"** shall list the applicable streets that have specific speed limits thereon. **(See 625 ILCS Sec. 5/11-604)**

(G) **Special Speed Limit While Passing Schools.** No person shall drive a motor vehicle at a speed in excess of **twenty miles per hour (20 MPH)** while passing a school zone or while traveling upon any public thoroughfare on or across which children pass going to and from school during school days when school children are present.

This section shall not be applicable unless appropriate signs are posted upon streets and maintained by the City or State wherein the school zone is located. **(See 625 ILCS Sec. 5/11-605)**

(H) **Failure to Reduce Speed.** A vehicle shall be driven upon the streets and alleys of this City at a speed which is reasonable and proper with regard to traffic conditions and the use of the street or alley. The fact that the vehicle does not exceed the applicable maximum speed limit does not relieve the driver of the duty to decrease speed when approaching and crossing an intersection or when special hazard exists with respect to pedestrian or other traffic or by reason of weather or highway conditions. Speed must be decreased as may be necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.

(I) **Traffic Lane Usage.** Whenever any roadway within the City has been divided into **two (2)** or more clearly marked lanes for traffic, a vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

(J) **U-Turns Prohibited.** No driver of a vehicle shall make a "U-turn" on any street or at any intersection of any streets in the City.

24-4-3 DUTY TO REPORT ACCIDENT. The driver of a vehicle which is in any manner involved in an accident within the City shall, without unnecessary delay, notify the Police Department and shall make a report of such action. Failure to report an accident within the City within **twenty-four (24) hours** shall result in arrests of the person or persons involved. **(See 625 ILCS Sec. 5/11-415)**

24-4-4 TRANSPORTING LIQUOR IN VEHICLES. No person shall transport, carry, possess or have any alcoholic liquor within the passenger area of any motor vehicle in this City except in the original container and with the seal unbroken. **(See 625 ILCS Sec. 5/11-502)**

24-4-5 EXCESSIVE NOISE - STOPPED VEHICLE. No operator of a motor vehicle shall, when the motor vehicle is stopped, unreasonably accelerate the engine thereof

with the gears of the vehicle in neutral, thereby causing an unreasonably loud or excessive noise.

24-4-6 EXCESSIVE NOISE - WHEELS. No operator of a motor vehicle shall when the motor vehicle is stopped, accelerate the engine with the gears of such vehicle in neutral and while so accelerating the engine, shift the gears of the vehicle into a forward or reverse movement, thereby causing an unreasonably loud noise with the drive wheels of the vehicle.

24-4-7 EXCESSIVE NOISE - SQUEALING TIRES. No operator of a motor vehicle shall cause the wheels of such vehicle to spin violently, thereby causing an unreasonably loud or excessive noise. **(See 625 ILCS Sec. 5/11-505)**

24-4-8 RECKLESS, NEGLIGENT OR CARELESS DRIVING. It shall be unlawful to operate any vehicle in the City in a careless, reckless, negligent or wanton manner, or carelessly so as to endanger life or property.

24-4-9 EXCESSIVE NOISE WHILE DRIVING. No operator of a motor vehicle shall, when operating the vehicle, accelerate the vehicle or rapidly stop the vehicle causing an unreasonably loud noise. No person shall operate or cause to be used or operated within the City any mechanical exhaust device designed to aid in the breaking or deceleration of any vehicle by converting engine power to compressed air. It shall be an affirmative defense that the person operating, or causing to be used or operated, such mechanical exhaust device in circumstances where it is necessary to avoid injury or accident. The City shall provide notice of the prohibition created by this Section by posting clearly at or near the entrances to the City, utilizing the sign posts approved by the Illinois Department of Transportation on those routes over which said Department has jurisdiction. **(Ord. No. 06-07; 04-10-06)**

24-4-10 SOUND AMPLIFICATION SYSTEMS. No driver of any motor vehicle within this State shall operate or permit operation of any sound amplification system which can be heard outside the vehicle from **seventy-five (75) feet** or more when the vehicle is being operated upon a highway, unless such system is being operated to request assistance or warn of a hazardous situation. **(See 65 ILCS Sec. 5/12-611)**

ARTICLE V - EQUIPMENT OF VEHICLES

24-5-1 ILLINOIS VEHICLE CODE; EQUIPMENT OF VEHICLES ADOPTED. The Illinois Vehicle Code, **Illinois Compiled Statutes, Chapter 625, Section 12**, entitled **"Equipment of Vehicles"**, as passed, approved, and amended by the Illinois General Assembly is hereby adopted by the City and the provisions thereof shall be controlling within the corporate limits of the City. **(See 625 ILCS Secs. 5/12-605, 5/12-605.1; and 5/12-605.2)**
